Summer ~ Pre-Launch

Welcome to Healing Hearts! We are so excited to launch our new monthly self-care boxes for you! This is an example of what our newsletter each month will look like, packed with up-to-date information and encouraging words. Healing Hearts spreads awareness about various topics throughout the year - mental health, domestic violence, suicide prevention, LGBTQ+ pride, and many more. We can make a difference in our own lives and others if we are not afraid to come together as a community and share our experiences, knowledge, and passions.

Believe in Yourself and Your Dreams!

When is the last time you reminded yourself how powerful you are? You have everything you need inside of you to manifest your dreams into reality. The secret is working hard every day, and never give up. Listen to your intuition and let your passions guide you into a life of happiness. Believe you deserve it!
